

Series HSL CRSD/CRSF/CRSR

LED Strip Fixture with Lens Options

DESCRIPTIONS

Give your area a new clean and sleek look with this LED Premium Strip. This fixture is sure to enhance any environment. Designed for: 2', 4' and 8' linear LED Strips with New LED Technology.

Choose between 3 aesthetic options: Flat Lens, Dome Lens or Rounded Lens. All options provide energy savings and better quality lighting. These flexible options are cost effective and make this a perfect fixture option for: schools, retail, warehouse, storage or any other facility area.

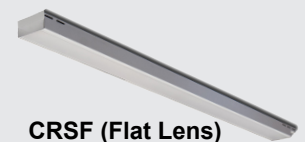

Fixture Configuration:

A simple 4.25" back box converts any of the lens options, shown to the right, into a great looking high performance fixture. The Lens is a high transmission LED product.
